THE FARMERS OF TENNESSEE.

THE undersigned having procured the exclusive right to this State, effers forsale, First Premi um Machine:
MANNY'S PATENT ADJUSTABLE NORTHERN ILLINOIS REAFER AND MOWER.

Awarded the first premium for mowing, and the second for reaping, at the New York State Fair, in the great trial at Geneva and New York, in July, in competition with eleven other Machines; awarded a Silver Medalat the Ohio State Fair for the best reaper and mower; and received the highest award at the Vermont and Michigan State Fairs, forthe best reaping and mowing machine.

award at the Vermont and Michigan State Fairs, forthe best reaping and mowing machine.

The true merit of this Machine has given it a great triumph over all others, and being a perfect combination of a Reaper and Mower, it comes to the farmer with double value; and it is clearly demonstrated to be the only successful combination of Reaper and Mower.

As a mover it is simple and as perfect as though constructed expressly for mowing, and as a Reaper it is as simple and perfect as if constructed for reaping only :—all the change that is necessary from one plan to the other, is to insert or remove a loase platform.

With a pair of horses, one drver, the Machine will mow from 15 to 20 acrea per day, depending on the ground. It will reap the same quantity requiring two hands, in running over broken ground. The driver can lower of elevate as he may choose.

will reap the same quantity requiring two hands, in running over broken ground. The driver can lower or elevate as he may choose.

The price of the Machine, delivered at Naskville, is \$250, or they will, if ordered, be delivered at Memphis, or any point on the Mississippi, between there and Mill's Point, or at any point on Cumberland river, between the State line and Naskville, or at Chiltanooga, or at any point between there and Naskville, on the Kailroad, at the same price. They are manufactured in New York; and as it will require time to bring them on, all who wish to procure one for the next season, would do well to address me as soon as convenient, at Nashville.

DE. ARNOLD'S UNION PILLS.

GREEN HILL, Tonn., January 19, 1852.

DE ARNOLD—Dean Size—I consider it but an act of justice to yourself and the community, to state to you the vesy great benefit I have received from the use of your Union Pills. Having been for quita a number of years, greatly truebled with dispepsis, and constipation of the bowels, at times alarming me greatly, I used every other remedy, almost that I ever rend or head of for the disease, all without the least beneficial effect. I had almost come to the belief, that it was useless to try any more; as I labored under great debility, and my stomach was greatly injured by taking the different Pills, medicine, &c.; but on hearing my beighbors speak so frequently of the beneficial effects of your Union Pills, I concluded to give them a trial, and bought a fifly cents vial, and commenced their use. From bought a fifty cents vial, and commenced their use. From the first dose of one Pill I was satisfied it was the medicine. the first dose of one Pill I was satisfied it was the medicine for me. I have not yet used quite one vial, and can now say to you with the utmost pleasure, that I have not for the last ten years felt as well, or enjoyed such good health, as I have since commencing the use of your Pills. I would take no sum for the good these Pills have done me, and almost every branch of my family have used them with the same happy effect. At times some of the negroes have had symptoms of fever—at the first complaint I have given them one or two Pills, and never had to repeat the dose but once, which effected a cure. Your other medicines used by my family, have had the most happy effect. I shall always keep a supply of your Pills on hand, and I think that no one, laboring as I have under great debility and dyspepsia, with all their evil consequences, but what would, after a use of your medicines, join me in saying the same of them.

Respectfully WW MASTERSON.

The following commendation is from an agent residing at Trenton. Tennessee.

Tensovs, Gibson County, Tenn., Nov. 7, 1848.

this county who says she would not be without this Plaster for five hundred dollars a year. She was afficted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain had extended up nearly to the arm-pit, and occasionally she could scarcely breathe. She was confined for a considerble time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immidiately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think proper—they are substantially true.

Respectfully, yours, &c.
